

Communication Device Chats 2010 Summer Camp

Program Description:

Students will have the opportunity to interact with one another using their specific assistive device in an atmosphere that is friendly and conducive to learning

Objectives:

- * Students will make comment pages that are tailored to their own expressions, comments and ideas
- * Students will practice answering questions in a conversational environment with peers and friends
- * Students will practice navigating through their device answering questions and participating in group discussions
- * Students will build confidence in themselves and their device usage
